

Curriculum Vitae

Name: Hutcha Sriplung
Gender: Male
Birth date: December 4, 1959
Academic title: Associate Professor
1995 Associate Professor of Anatomical Pathology
1991 Assistant Professor of Anatomical Pathology
1984 Lecturer of Anatomical Pathology

Current status:
Associate Professor,
Epidemiology Unit
Faculty of Medicine, Prince of Songkla University
Hat Yai, Songkhla, Thailand

Place of work:
1987-2001 Anatomical Pathology Unit, Faculty of Medicine, Prince of Songkla University
2002- Epidemiology Unit, Faculty of Medicine, Prince of Songkla University

Position:
1990-1992 Assistant Dean of Medical Education
1992-2000 Vice Chairman of Department of Pathology
1990-1992, Chief of Songkhla Cancer Registry and Cancer Registry of Songklanagarind
1994- Hospital
2001-2002 Faculty Committee, Faculty of Medicine
2001- President of the Association of Cancer Epidemiologists of Thailand
2004- President of the Thai Cancer Information Network
2005- President of the Thai Network of Cancer Registries

Committee Membership:
2000- Advisory Board of the National Cancer Institute, Thailand
2000- Advisory Board of Lampang Cancer Center
2000- Advisory Board of Udon Thani Cancer Center
2000- Advisory Board of Surat Thani Cancer Center
2008- Advisory Board of the Geo-ethnic Cancer Epidemiology (GECE) program,
School of Public Health of the University of Texas-Houston (UTSPH)
2008- Advisory Committee on Research, College of Medicine and Public Health,
Ubon Rajathanee University

Graduation:
1987 Certificate of Proficiency in Anatomical Pathology Ramathibodi Hospital
1983 Doctor of Medicine Mahidol University
1981 Bachelor of Science (Medical Science) Mahidol University

Certificates:

2009	Organizing committee of the International Course on Cancer Registration	Khon Kaen University NCI, IARC
2008	Organizing committee of the 5th International Asian Conference on Cancer Screening	Khon Kaen University, NCI, International Asian Conference on Cancer Screening IACR
2007	Certificates of Attendance in the 29th Annual Meeting of the International Association of Cancer Registries	IACR
2006	Certificate of Attendance in the R User Conference 2006	Austrian Association for Statistical Computing
2005	Certificate of Attendance in the 16 th IEA World Congress of Epidemiology	International Epidemiological Association
2005	Certificate of Attendance in the Course of Temporal Trends in Cancer Incidence and Mortality	International Agency for Research on Cancer
2004	Certificate of Attendance in the 26 th Annual Meeting of the International Association of Cancer Registries	International Association of Cancer Registries
2002	Certificate of Attendance in the 18 th UICC International Cancer Congress	International Union Against Cancer & Norwegian Cancer Society
2001	Certificate of Attendance in the Third Global Conference for Cancer Organizations	International Union Against Cancer
2001	Certificate of Attendance in the Seventh Thai-Japanese Workshop in Diagnostic Cytopathology	Nippon Medical School & Faculty of Medicine, Chiang Mai University Cytopathology
2000	Certificate of Attendance in the Workshop in Association, Diagnostic Cytopathology	International Academy of Pathology, Thailand division
2000	Certificate of Attendance in the Sixth Thai-Japanese Workshop in Diagnostic Cytopathology	Nippon Medical School & Faculty of Medicine, Chiang Mai University
1999	Certificate of Attendance in the Fifth Thai-Japanese Workshop in Diagnostic Cytopathology	Nippon Medical School & Faculty of Medicine, Chiang Mai University
1996	Certificate of Attendance in Workshop on Molecular Epidemiology	International Agency for Research on Cancer
1994	Certificate of Attendance in Workshop in Diagnostic Oral Pathology	Faculty of Dentistry, Prince of Songkla University
1992-3	Attendee in International Course of Epidemiology	Epidemiology Unit, Prince of Songkla University

Review and Advisory Panels:

1. Member of the working group in revision of international rules for multiple primary cancers (ICD-O Third Edition), 2004.
2. Peer reviewer of the Liver International.

Professional Society Memberships:

1. Member of the Thai Medical Council
2. Member of the Royal College of Pathology, Thailand.
3. Member of the International Association of Cancer Registries.

Oral Presentation:

1. Oral presentation in useR! 2006 Conference, Vienna. Hucha Sriplung, Edward McNeil, Apiradee Lim and Naratip Junsakul. R-ICE - A Modular R GUI.
2. APOCP General Assembly Conference, 2006, Bangkok. Hucha Sriplung. Population-Based Studies for the Evaluation of Cancer Care Management System.
